-

[Soddy-Daisy, Tennessee] – Guests of the upcoming Grand Opening Celebration on February 5 at the new expansive Sequoyah Rehabilitation Center of Soddy-Daisy Health Care Center will be offered tours, free wellness checks, hors d'oeuvres, live music, and a free gift to take home. Guests can also enjoy a champagne toast at 2:30 p.m. following the Ribbon Cutting Ceremony with the Chattanooga Area Chamber of Commerce at 2:15 p.m. Tours, music, door prize drawings, and catering from Simply Savory Events will be available until 6 p.m.

Soddy-Daisy Health Care Center has served the community with rehabilitation and skilled nursing services since 2007, and looks forward to offering even more comprehensive specialized short-term rehabilitation services. The newly built 14,000 square foot Sequoyah Rehabilitation Center is a 21-bed skilled care wing addition specially designed to create a Bed & Breakfast environment for extended comfort while residents are rehabilitating. The new wing features all private suites with home-like comforts such as flat screen TVs, white down comforters, storage, and full bathrooms, including tiled walk-in showers and other handicap accessible amenities. Additionally, the center includes a separate exterior entrance, lobby waiting area with daily refreshments, spacious dining room, multi-textured courtyard, and conference room for family care plan meetings.

Sequoyah Rehabilitation Center has two private therapy rooms, as well as two therapy gyms, one comprising specifically of an activities of daily living suite furnished with a full kitchen, washer and dryer, and restroom to simulate a home environment. Occupational, physical and speech therapy services are offered seven days a week, and continued outpatient therapy services will be now served from the Sequoyah center Monday through Friday, 8 a.m. to 5 p.m.

“This is not only an exciting time for our team as we embrace these changes and offer expanded care options, but I think it’s a great opportunity for our neighbors, and all of Chattanooga and north Georgia, too, to know that we are here,” says Facility Administrator Jeremy Gravell. “We are here to serve. It is an honor to be a part of something this big in our community and I encourage anyone seeking care to visit us.”

The new center will have 24-hour nursing care, including two full-time nurse practitioners on-site. Individual van transportation to/from physician’s appointments with accompaniment of a driver is available, in addition to opportunities for out-of-facility field trips to promote community integration. Residents of the Sequoyah center will also benefit from a daily activities program, and Guest Relations services to ensure comfortability from admission to discharge.

###

Soddy-Daisy Health Care Center is a licensed 134-bed skilled nursing and rehabilitation facility that has happily served southeast Tennessee, Hamilton, Bledsoe, Rhea and Sequatchie Counties, and all surrounding communities since 2007 in partnership with Grace Healthcare Support Services. With a mission to serve from the heart, the facility’s dedicated team of professionals strives to provide individualized and comprehensive care to every resident, as well as values strong community connections and opportunities to serve.
